

KRIS GOSSER

RESUME

PERSONAL

Name: Kristopher Gosser

E-mail: kgosser@gmail.com **Web site:** www.krisgosser.com

Address: 240 Carroll St., Waukesha, WI, 53186

Phone: 920.559.2207 (cell)

WORK EXPERIENCE

- **MWI Marketing Group, Inc.**
Junior Web Developer // 2005-2006 // www.mwi.com
As a junior developer, Kris had the chance to work with one of the best marketing and new media firms west of the Mississippi. Located in Utah, MWI gave him the chance to be a Web Standards expert by building the structural code for over 15 Web sites, and having input on design aspects.
- **DP3 Marketing Group Inc.**
Web Developer // 2004-2007 // www.dp3marketing.com
This job really extended beyond Web development. Kris worked hand-in-hand with the founders on how to start up a business in the new media world.
- **Graphic Designer for Carroll College**
Graphic/Layout Design for Logos, Brochures, etc. // 2004
Hired as a student employee, Kris really worked beyond the title. He had a hand in redesigning the Carroll site as well as creating various Flash applets and HTML e-mail campaigns.
- **Freelancer**
Web Design and Development // 2002-present

EDUCATION

Post-Secondary Education: Carroll College

Major: Graphic Communications: Emphasis on Technology

Minors: Communications, International Relations

Expected Graduation Date: May 2007

GPA: 3.36 cumulative with last semester being 3.75

COMMUNITY, CULTURAL ENVIRONMENT & OTHER SKILLS

Within his college, Kris has been:

- The lone student representative on the Presidential Search Committee for Carroll College.
- On the **Governance Task Force Committee**. It's a body of nine people - eight faculty and staff members and one student - given the responsibility of restructuring the school's governance.
- The **Vice-President** of Carroll College's Student Senate.
- The **President** of the Delta Rho Upsilon fraternity on Carroll's campus.
- An **Orientation Leader**. It's a student that helps guide and advise incoming freshman for 10 days during the summer.
- The student representative on the **Faculty/Student Ethics Committee**. They review student conduct issues.
- A **teacher**. He helped create and lead a class on XHTML/CSS to a group of design students at Carroll College.

AWARDS & ACCOLADES

- Several Web sites that Kris has either developed on his own or been involved in collaboration with **have been featured on various Web design award sites**.
- Kris is currently a **Student Alumni Ambassador Representative**. It's an award given to a student during his or her sophomore year who exemplifies the qualities of a future alumnus that will benefit the college via grants, representation, and involvement.
- His junior year in college, Kris received the **Who's Who** among college students award.
